

We, e.optimum AG, hereby confirm that as of the 1th of January 2026
Pütz GmbH + Co. Folien KG

at the delivery point
Obere Waldstraße 26
65232 Taunusstein

purchased e.optimum **Ökostrom*PLUS***.

With this, e.optimum guarantees:

- **electricity that comes 100% from renewable energy systems**
- **official certificates of origin that prove the electricity comes from renewable energy sources**

This certificate confirms the origin of the electricity from renewable energy sources, which is produced for e.optimum by certified system operators. This is certified annually by TÜV Nord.
